RESEARCH STUDY

Out-of-Pocket Costs and Consequences of Unpaid Caregiving

LOOKING FOR SURVEY PARTICIPANTS

This survey seeks to understand:

1) The out-of-pocket (non-reimbursed) expenses that unpaid caregivers in Ontario pay in caring for a dependent relative, friend or neighbour living at home
2) The consequences of these care expenses on overall income, employment and health
3) How these care expenses have been impacted by COVID-19.

To be eligible, you must be:

1) A caregiver currently providing home care/support on a voluntary (unpaid) basis
2) Caring for a family member, friend or neighbour living with a long-term (>3 months) physical and/or mental health condition or age-related decline.
3) A resident of Ontario
4) 16 years of age or older

PARTICIPATION IS VOLUNTARY AND CONFIDENTIAL
